

After a careful review of your application, I am pleased to confirm that you are being offered admission into the following program:

**Bachelor of Engineering  
Software Engineering  
Gina Cody School of Engineering & Computer Science**

As a next-generation university, Concordia fosters a creative and inspiring learning environment that encourages its students to address the challenges facing contemporary society. I am delighted that you will be joining us this Fall 2022. Allow me to be the first to congratulate you!

Here are your next steps:

1. Log into [My CU Account](#), go to your Student Centre and accept your offer (see the [how-to guide](#)). Your deadline to confirm is on page two of this letter.
2. Get ready to register for classes. After you accept your offer, you will receive an email with information and contact details for academic advising and course registration. You must register for classes in the term to which you've been admitted. Refer to the [term dates and deadlines](#) to learn when you can begin registering for courses.
3. Consult the [Welcome Guide for New Concordians](#) for the next steps to take as a newly admitted student.

Do you have questions about your admission? Your Admissions Officer's contact information can be found in the Program Information section below.

Once again congratulations on your achievement. We look forward to welcoming you into the Concordia community.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Fontaine".

Sophie Fontaine  
Director of Admissions  
Concordia University

## OFFER OF ADMISSION

### PROGRAM INFORMATION

---

<b>Program/Plan(s):</b>	<b>Bachelor of Engineering Software Engineering</b>
<b>Academic Load:</b>	Full-Time
<b>Session:</b>	Fall 2022 commencing September 6, 2022
<b>Minimum Program Length:</b>	120 credits
<b>Admission Status:</b>	Conditional
<b>Conditions:</b>	<p>This offer of admission is conditional upon the successful completion of all the requirements for your Diploma of Collegial Studies (DEC) prior to the commencement of your studies at Concordia. This includes all profile courses in progress, if applicable. This also applies to students who may be completing any courses by cégep@distance.</p> <p>NOTE: Once conditions have been met, your file will be updated but a new Offer of Admission will not be issued.</p>
<b>Admissions Contact:</b>	Should you have any questions about details of this offer, do not hesitate to contact your Admissions Officer:
<b>Confirmation Date:</b>	May 1, 2022 - You must accept this offer and pay the confirmation deposit by this date.
<b>Registration Start Date:</b>	Find important information about your enrolment appointment dates on our <a href="#">Course registration</a> page. The enrollment appointment date is the first date on which you may begin the registration process.
<b>Co-op Recommendation:</b>	<p>Congratulations! The Institute for Co-operative Education has accepted you into the Co-op program (paid internships). You are now on the path to building a rewarding career! Once you accept your offer of admission at Concordia, the Institute for Co-operative Education will email you more information, including details about an orientation session at the start of your first semester. Make sure to visit your program's page to determine your course sequencing and to help you in choosing prerequisite courses. In the meantime, discover what's ahead for you as a member of the Institute at <a href="http://concordia.ca/co-op">concordia.ca/co-op</a>.</p>

Consult the [Welcome Guide for New Concordians](#) for an explanation of these terms.

---

### Exemptions:

#### Exemption(s) Granted:

CHEM	205	GENERAL CHEMISTRY I
ECON	203	INTRODUCTION-MACROECONOMICS
MATH	201	ELEMENTARY FUNCTIONS
MATH	203	DIFFERENTIAL&INTEGRAL CAL I
MATH	204	VECTORS AND MATRICES
MATH	205	DIFFERENTIAL&INTEGRAL CAL II
MATH	206	ALGEBRA AND FUNCTIONS
MATH	208	FUNDAMENTAL MATHEMATICS I
MATH	209	FUNDAMENTAL MATHEMATICS II
PHYS	204	MECHANICS
PHYS	206	WAVES & MODERN PHYSICS
PHYS	224	INTRO EXPERIMENTAL MECHANICS
PHYS	226	INTRO EXP WAVES & MOD PHYS

#### Potential Exemption(s) based on courses in progress:

PHYS	205	ELECTRICITY & MAGNETISM
PHYS	225	INTRO EXPERIMENT ELECTRICITY

Potential exemptions are subject to change pending final grades.

### Deficiencies:

#### To be taken as part of your program:

None

#### To be taken in addition to your program:

None

### Transfer Credits:

#### Transfer Credit(s) Granted:

Not assessed

#### Potential Transfer Credit(s) based on courses in progress:

Not assessed

NOTE: Transfer credits are granted on the basis of the successful completion of the designated technical DEC program for which you are registered. Should you complete your DEC in an alternate program or are awarded the DEC Sans Mention, the transfer credits noted in this Offer of Admission will be revoked. Depending on the program you enter, transfer credits granted may not all apply towards your program requirements. If you have been granted general transfer credits, contact your Academic Advisor to determine how they apply to your program.

## ADDITIONAL INFORMATION

---

Your admission is based on the academic history you provided during your application. If any new information becomes available, this offer is subject to review. If you have omitted to list any post-secondary institution you may have attended, it is your responsibility to contact your admissions officer.

### **Transcript/Record:**

An agreement between the Ministry of Education, Cegeps and universities allows us to receive the official Cegep transcripts for applicants electronically. Unless otherwise notified you are not required to submit an official Cegep transcript.

### **The Gina Cody School of Engineering and Computer Science writing skills requirement:**

All students in the Gina Cody School of Engineering and Computer Science must satisfy the School's writing skills requirement. To fulfill this requirement, please refer to the [writing skills requirement](#) information.

### **Advising and Registration**

Once you accept your offer you will receive an email containing more information about advising, registration and other pertinent details about commencing your studies at Concordia University. This email will also provide appropriate contact information to help guide you should you need assistance with these matters.

Consult our resource [Understanding your Offer of Admission](#) for an explanation of the details in this letter.

Sincerely,

Sophie Fontaine  
Director of Admissions  
Concordia University

Please note Concordia University reserves the right to modify its academic programs and regulations. The University also reserves the right to modify the published scale of tuition and other student fees at any time before the beginning of the upcoming academic year. Your admission is subject to the statutes, rules, regulations and policies in place at Concordia University, including the policies contained in the University Calendars available online at [www.concordia.ca](http://www.concordia.ca), the policy on Intellectual Property (VPRGS-9), and those of the programs in which you will be registered. We remind you that your obligations commenced with your application to Concordia University and shall terminate in accordance with the University's statutes, regulations and policies. All University policies may be consulted on-line at the following address: [concordia.ca/about/policies](http://concordia.ca/about/policies).
